SPECIFICATIONS

Part Number	Varies - Please refer to Bushranger Catalogue for Part Numbers	
Materials	UV stabilised black vinyl with fleecy backing	
Application	Caravan: suits diameters 600mm to 660mm Small Size: suits diameters 650mm to 710mm Large Size: suits diameters 720mm to 780mm Extra Large Size: suits diameters 790mm to 850mm Super Size: suits diameters 860mm to 880mm	
Weight	Caravan size: 0.8kg Large size: 1.0kg	Small size: 0.8kg Extra Large size: 1.45kg
Warranty	5 Year No-Fuss Warranty	

VEHICLE APPLICATIONS

All 4WD spare wheel tyre sizes can be fitted by one of the four size covers – see over page for handy Tyre Size Reference Guide

PRODUCT TIPS

- Before attempting to fit the Spare Wheel Cover, check the fitting instructions on the box
- A regular application of Armorall or similar protectant will ensure many years of service
- Fleecy backing gives a cushioned smooth finish

"Stand out from the crowd and enhance your vehicle with quality protection"

SAFETY PRECAUTIONS

Please ensure the cover is installed correctly and elastic is securely holding cover in place. This will ensure your do not lose your cover or create an airborne object in front of any trailing vehicles.

FEATURES	BENEFITS
Adds good looks and personality to your 4WD, caravan or trailer	Protects expensive spare wheels from dust, mud and corrosion
Fleecy backing	Allows the cover to breathe
Available in Caravan, Small, Large and Extra Large	Simple sizing - Small and Large cover 85% of most wheels on the market
Elastic Cord	- Easy fitting and no ugly loose ends - Gives a smooth secure fit
High quality, UV stable vinyl	Will not fade or become brittle and will give years of service

FITTING INSTRUCTIONS (Included on Product Packaging)

There is nothing complicated about fitting your Spare Wheel Cover. Position the design so it will be square on your tyre, then pull the skirt over the top of the tyre and work down. You cannot move the cover around the tyre once it is on, so remove it if it is not square and re-position.
