C9500 TDSC/TDSI

9500LB 12V/24V ELECTRIC WINCH

Widely considered the best £ for lb winch on the market. The TDS is able to provide the ultimate combination of speed and raw power whilst offering the lowest amp draw of any like for like winch on the market. The double tapered external brake delivers efficient load holding with no heat build up. The preferred choice of professional recovery operators and high level 4x4 competitors. Also available in the TDSi "bridge type".

*TDSi bridge type.
