

Protect it

X Radiator Muff Covers.

Protects the Defender radiator from Mud, Ice, Snow, Frost and Water. Ideal for cold weather conditions this winter. Front panel rolls up and down and will also fit vehicles with air conditioning. There is no drilling required and simply attaches to the front grill.

Available in Black or Olive

from **£41.48**

X Waterproof Seat Covers from Exmoor trim, NEW now also available in Grey as well as Black.

Defender all models, Exmoor Seats, Discovery 1,2,3 & 4

Black or Grey nylon waterproof seat covers from Exmoor Trim are manufactured from an exclusive waterproof material that is totally non slip. This means that you won't slide off the seat and the cover won't slide on the seating fabric.

All our waterproof seat covers are specifically tailored to fit each seat.

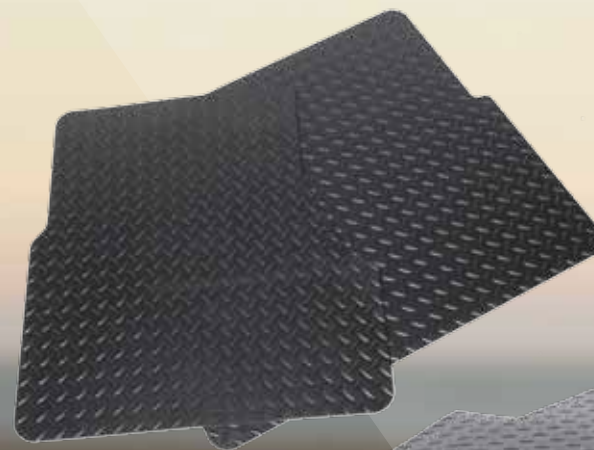

X Exmoor Trim Canvas covers for the Land Rover Brand, these fantastic canvas seat covers, are the ideal way of protecting your seats and enhancing your interior. The tailored covers fit exactly with twin rear and single zip pocket and front side pocket pen holders, reinforced side panels where you enter and exit with piped finish for style. The covers are washable and supplied in their own presentation kit bag.

Available in two colours Sand or Shot Grey. The attention to detail and fitting is second to none.

Front pairs from **£215.25**

Made to meet the rugged expectations of any Land Rover

X Acoustic Floor Matting.

Acoustic Floor Matting from Exmoor Trim reduces interior noise. Easy to fit, easy to clean, insulating and water repellent, second row floor as one piece and the rear load area floor as a one piece removable load mat.

from **£38.23 a pair**

X Rear Acoustic 3 piece matting kit.

Supplied as a package with separate wheel arches that are attached with removable adhesive strips. The floor piece is separate to enable you to remove for easy cleaning.

Kit price **£114.30**

NEW Discovery 1, 2, 3 & 4 Radiator Muffs / Wading Blankets now available.

X These stylish covers are made from very hard wearing PVC coated hooding material to ensure they are up to the job. No drilling required and installation could not be easier. Great way to protect your radiator this season.

Only available in black.
